## Barn Rules

1. **Keep all gates closed at all times. Should you go through a gate, always close it behind you.**
2. **Arrive at the farm by appointment only about 10 minutes before your Activity is scheduled to start. If another activity is in progress, please be courteous and respectful and remain in your car until time for your Activity to start.**
3. **There is a bathroom inside the barn, located in the hallway with the sign "Toilet" on the door; and you are welcome to use it. When you are finished, please return to the outside barn area.**
4. **DO NOT enter into any stall, the tack or feed room, paddock or pasture without permission or supervision from your Instructor or equine professional/handler.**
5. **DO NOT feed treats to the horses or other farm animals unless you are given permission, and, then, never hand feed treats - place them into a feed bucket.**
6. **Please bring a cell phone with you if you anticipate needing to make any telephone calls. It is necessary to turn off your cell phone during The Equine Encounter.**
7. **Most importantly, FOLLOW ALL HORSE SAFETY RULES AND HAVE LOTS OF FUN!**

*I have read, understand and agree to honor these Barn Rules. I further understand that violating these rules may necessitate ending my participation in The Equine Encounter.*
